

AMERICAN SIMMENTAL ASSOCIATION - DNA PRICING

Genomic Tests – DNA Enhanced EPDs with Add-On Content Available

GGP-HD (AI sires/Donor Dams)	\$90.00
+ PV	Included
+ Diluter	Included
+ Coat Color	\$9.00
+ Horned/Polled	\$19.00
+ Condition Panel	\$17.00
+ CA	\$11.00

GGP-LD	\$50.00
+ PV	Included
+ Diluter	Included
+ Coat Color	\$9.00
+ Horned/Polled	\$19.00
+ Condition Panel	\$17.00
+ CA	\$11.00

Genomic Tests – DNA Enhanced EPDs with NO Add-On Content Available

GGP-uLD	\$33.00
+ PV	Included

GGP-F250	\$125.00
+ PV	Included

Genomic Test – Cow Herd DNA Roundup(CHR)

*CHR50K	\$20.00
+ PV	Included
+ Coat Color	\$9.00
+ Horned/Polled	\$19.00
+ Condition Panel	\$17.00
+ CA	\$11.00

**The CHR project is a research collaboration with GeneSeek, Inc.*

Standalone Pricing

Single Trait Analysis

Parent Verification(PV)	\$18.00
-------------------------	---------

Genetic Traits

Coat Color	\$20.00
Red Charlie(RC)	\$15.00
Diluter	\$20.00
Horned/Polled	\$33.00
OH	\$25.00

Genetic Condition Panel

AM, NH, DD, TH PHA, OS	\$34.00
------------------------	---------

Single Trait Defect Testing

CA	\$25.00
----	---------

Other Testing Available

BVDV	\$5.00
------	--------

DNA Collection Methods

Blood Cards	FREE
Allflex TSUs	\$2.00
Allflex TSU Applicator	\$35.00
*Hair Cards	\$5.00

*Fee applies regardless if member already has a hair card not supplied by ASA

**Additional Fees

DNA Research Fee	\$60/hour
Export PV SNPs to AAA	\$5.00

**Explanations of Additional Fees

Research Fee – In the case of an exclusions, the PV price will include re-checks for 2 additional parents. If further investigation is needed to find the parents, the member will be charged \$1.00/min or \$60.00/hr. Additionally, if multi-sire pastures are used and excess time spent to confirm parentage, this fee will be applied. Members will be notified and asked to authorize research fees prior to work being completed by ASA.

SNP PVs to AAA – Angus requires SNP parentage in AB format and there is a fee charged for the special request.
