State Simmental Association wishing to host the event: _____
State Officer(s) supporting this request: _____

Proposed Event Location: _____

Eligible Dates Event Location will be available (Aug 20 - Sept. 10): _____

Suggestions: Topics for the Educational Symposium (Optional).

Will State Association seek sponsor(s) for and host dinner following the educational session? _____
Describe program which will be presented at the state association host dinner:

Guidelines:

- Applications only accepted through state association affiliation.
- Location; preference will be given to event location tied to a university and/or industry for the educational session.
- Topics for the educational symposium optional; interested in knowing your state association members' interests.
- Event dates; total of 3 ½ days needed between August 20 and September 10.
- Host state association's sponsored dinner program will be at the discretion of the state association officers, ASA Board Chairman and Executive Vice President.
- Total cost for host state will be dinner and program following the educational symposium. Registration for the symposium will give accurate account; estimated attendance around 150.
- ASA Board Chairman and Executive Vice President will approve all topics and speakers for the educational session.
- Committee and board meetings are under the direction of the ASA Board Chairman and Executive Vice President.
